Work Experiences

Since 11.2017 Research Scientist, Institute for Robotics and Mechatronics, German Aerospace Center (DLR), Germany.

2014-2015 Engineering Intern, ROBOTIS, South Korea.

Education

Since 11.2020 Doctor of Engineering in Computer Science, Karlsruhe Institute of Technology (KIT), Germany.

Advised by Prof. Rudolph Triebel and Prof. Tamim Asfour.

2015–2017 Master of Science in Robotics, Systems and Control, Swiss Federal Institute of Technology (ETH Zürich), Switzerland.

Advised by Prof. Roland Siegwart.

2011–2014 Bachelor of Science in Aerospace Engineering, Delft University of Technology (TU Delft), Netherlands.

Selected Honours and Awards

2024 KUKA Innovation Award Finalist 2024.

Awarded for a project on industrial robots. The team developed a collaborative robot for textile manufacturing and demonstrated the solution at Hannover Messe 2024.

2023 KUKA Innovation Award Finalist 2023.

Awarded for the research on aerial manipulation. I led a team of 8 researchers for public demonstrations at Automatica 2023 which is one of the largest trade-show on industrial robots.

2015 Rotary International Global Grant Scholarship 2015.

Scholarship that fully funded my master studies at ETH Zurich.
